# WE ARE CREATING TOMORROW

## About Prophetic World Group (PWG)

At Prophetic World Group (PWG), our mission is to empower and uplift communities through education, outreach, and philanthropy. Over the years, we have proudly provided over 20 vehicles to college students, ensuring they have reliable transportation to pursue their dreams. Through our book scholarships, we have supported and enabled more than 225 children from urban communities to attend college, including prestigious Ivy League schools. In addition, our gas giveaways have brought over \$100,000 worth of relief to the city of Detroit, easing the financial burden for its residents. As we continue to grow, our commitment to inner-city people remains unwavering, as we strive to make a positive and lasting impact in their lives through our ongoing outreach efforts.

*Partner with us to help create future economy in Detroit*

# LET'S REFLECT
